Blitar, Jawa Timur

Self-taught Data Analyst skilled in Python, SQL, and Excel for data cleaning, exploratory analysis, and visualization. Proven ability to work on independent projects to analyze data, identify patterns, and deliver meaningful insights. Passionate about leveraging data to support business decision-making and continuously developing analytical expertise.

TECHNICAL SKILLS

- **Python:** Pandas, NumPy, Matplotlib (Data Cleaning, EDA, Visualization)
 - **SQL:** JOIN, GROUP BY, Aggregation
 - **Excel:** Pivot Table, VLOOKUP, Data Analysis
-

DATA PROJECTS

Superstore Sales Analysis

Tools: Python, Excel

- Analyzed sales and profit performance across products, regions, and customer segments
- Identified top-performing and underperforming product categories based on profit and sales metrics
- Conducted customer analysis to understand purchasing behavior and segment contribution
- Analyzed monthly and yearly sales trends to identify patterns and seasonality
- Created visualizations to communicate insights and support data-driven decision making

Bike Store Analysis

Tools: SQL, Python, Excel

- Extracted and queried data from relational database using SQL (JOIN, filtering, aggregation)
 - Performed data cleaning and preprocessing in Python, including handling missing values and removing duplicates
 - Conducted data wrangling to prepare datasets for analysis
 - Used Excel for exploratory data analysis (EDA) to analyze sales performance and trends
 - Analyzed revenue distribution across products, categories, and customer segments
-

EDUCATION

Universitas Islam Balitar – Blitar

Bachelor of Computer Science | GPA: 3.71/4.00

Oct 2021 – Oct 2025

- Participated in a national student exchange program (Kampus Merdeka)
 - Developed adaptability, communication, and problem-solving skills
 - Collaborated with students from diverse academic backgrounds
-

CERTIFICATIONS

- Microsoft Excel Basic – MySkill.id (2026)
 - Microsoft Excel Intermediate – MySkill.id (2026)
-

SOFT SKILLS

Analytical Thinking • Problem Solving • Attention to Detail • Communication • Critical Thinking
